Each stroll will last 1.5 to 2 hours, but the pace will be slow with plenty of stops to look at points of interest, so they are suitable for anyone interested.

We will carry on regardless of the weather. Warm, weatherproof clothing and robust footwear essential for enjoyment.

Everyone welcome. No need to book, or even tell us you are coming.

Just turn up at the meeting point at **7pm**.

For Mellor Mill, go down Faywood Drive/Lakes Road, cross the bridge over the River Goyt. The entrance to the mill site is facing you.

For Compstall, meet in St Paul's Church car park.

For Disley, meet in the station car park.

(Avoid the Ram's Head car park: you risk being ticketed!)
